SECURITY OFFICERS/GUARDS

Security Officers/Guards are responsible for maintaining a safe and secure environment in various settings, such as commercial properties, residential complexes, events, and public spaces. Our primary duty is to prevent and deter unauthorized access, theft, vandalism, and other potential security threats. Security guards often conduct routine patrols of the premises, monitor surveillance systems, and enforce rules and regulations to ensure the safety of people and property.

EXECUTIVE PROTECTION

Executive protection, otherwise known as close protection, encompasses all methods of protecting high-level VIPs, such as corporate executives, celebrities, politicians, and more. Executive protection security personnel will often have backgrounds in law enforcement or the military, experience that proves invaluable when facing unpredictable threats.

SECURITY CONSULTANCY

Our Security Consulting team specialises in the review, development, and implementation of security risk management strategies, programmes, and capabilities. We support you with bespoke consulting services which match your business needs.

ALARM RESPONSE

DASHBEL PROTECTION SYSTEMS (DPS) offers Automatic alarm transmission systems that are monitored at our control center by skilled personnel 24/7.

On receipt of the signal, the controller will dispatch a mobile response team to verify whether the activation was inadvertent or an actual breach has taken place before taking a necessary action.

Automatic alarm system uses sensor/detectors that are installed at key areas of a premise to send an activation signal once they are triggered.

MESSAGE FROM THE OPERATIONS TEAM

John Edward Munialo
Operations Manager

As the Operations Manager of our esteemed company, I am proud to lead a team of dedicated professionals who are at the core of our success. Our focus on operational excellence ensures that we provide our clients with reliable and efficient security services tailored to meet their specific needs. Every day, we strive to uphold our commitment to delivering quality through continuous improvement, innovation, and adhering to the highest industry standards.

Our strength lies in our people—the backbone of our operations. With their dedication, professionalism, and teamwork, we are able to consistently meet and exceed our clients' expectations. We ensure that our staff are well-trained, highly motivated, and aligned with the company's mission of delivering exceptional service.

As we look forward to future growth and continued success, our priority remains the satisfaction of our clients, the safety of the environments we protect, and the professional development of our employees. We will continue to work hard to strengthen our partnerships, improve our services, and maintain the trust placed in us by our clients.

Thank you for your continued support and trust in our company.

Together, we will continue to reach new heights.
